

## Special Offer

Once again, *Company* is offering its readers the opportunity to order copies of “Falling in Love,” very poignant words attributed to Pedro Arrupe, SJ.

Because we have continued to receive requests for copies, we asked calligrapher Holly Monroe for this new version of her original work that we are pleased to make available on 8" x 10" acid-free heavy stock.

These prints can be easily framed and make thoughtful gifts for Christmas, weddings, graduations, first communions, and many other occasions.

To order, please send us a self-addressed 9" x 12" envelope

and \$2 for the first copy (\$1 for each additional copy). If you'd like copies in time for Christmas, please order by November 21. Send envelope and check to:
